

How **RECYCLEPAK** Works

Order – Fill – Seal - Ship

Order your Recycle Pak by calling Bulbtronics at **1.800.654.8542** or visiting our website **www.bulbtronics.com**

Recycle Pak includes: Packaging, freight, processing, insurance, liability protection, and certificate of recycling

Fill the container and follow the easy-to-understand instructions.

Seal the container per the enclosed instructions. Complete the address label to indicate contents and return address.
Note: Pick-up will not be made unless the enclosed labels are attached.

Ship. Call to request a pick-up. The toll-free number is on the shipping label. Your order is tracked from pick-up to processing.

When processing is complete, your facility receives a certification of recycling (sent to the return address on the shipping label) for your records.
